

## I Could Have Danced All Night

*from "My Fair Lady"*

**B:** Bed, bed I couldn't go to bed

My head's too light to try to set it down

**S/A:** Sleep, sleep I couldn't sleep tonight

**All:** Not for all the jewels in the crown

\*\*\*\*\*

**B:** I could have danced all night

**S/A:** I could have danced all night

**All:** And still have begged for more

**B:** I could have spread my wings

**S/A:** and done a thousand things

**All:** I've never done before

**All:** I'll never know what made it so exciting

Why all at once my heart took flight

**S/A:** I only know when he began to dance with me

**B:** I could have danced, danced, danced all night

I could have spread my wings and done a thousand things

I've never done before

**All:** I'll never know what made it so exciting

Why all at once my heart took flight

I only know when he began to dance with me

I could have danced, danced, danced all night
