### [Verse 2]

Come writers and critics who prophesize with your pen  
And keep your eyes wide the chance won't come again  
And don't speak too soon for the wheel's still in spin  
And there's no tellin' who that it's namin'  
For the loser now will be later to win  
For the times they are a-changin'

### [Verse 3]

Come senators, congressmen please heed the call  
Don't stand in the doorway, don't block up the hall  
For he that gets hurt will be he who has stalled  
There's a battle outside and it's ragin'  
It'll soon shake your windows and rattle your walls  
For the times they are a-changin'

### [Verse 4] START SOFTLY

Come mothers and fathers throughout the land  
And don't criticize what you can't understand  
Your sons and your daughters are beyond your  
command  
Your old road is rapidly agin'  
Please get out of the new one if you can't lend a hand  
For the times they are a-changin'

### [Verse 5]

The line it is drawn the curse it is cast  
The slow one now will later be fast  
As the present now will later be past  
The order is rapidly fadin'  
And the first one now will later be last  
For the times they are a-changin'
